To all Supervisors of Student Employees:

In order to obtain the services you need with the least amount of problems would you please advise student workers of the following routines when working with the Mail and Duplicating Services Department:

1. The difference between meter mail, campus mail, and other mail and how to requisition the processing of that mail, e.g.;
 - Campus mail does not require a requisition
" is placed in the mail slot at the counter.
 - Meter mail does require a requisition
" is not placed in mail slots but is handed to the Customer Service person on duty.
2. How to use your mailbox if you have so designated them to do so.
3. How to remove yellow slips from duplicating and printing requests and to present yellow slip when picking up the completed work.

FACULTY SENATE
LA SALLE UNIVERSITY
1991-1992

To: All Faculty and Administrators

From: David J. Cichowicz, Secretary

Re: Minutes of the First Meeting of the 1991-92 Faculty Senate -- 7 May 1991.

Present: Angerosa, Brogan, Cichowicz, Colhocker, DiDio, Diehl, Dondero, Feden, Franz, MacLeod, Merians, Millard, Miller, Otten, Reardon, Seydow, Wall, Wiley.

Absent: Donnelly (excused), Halpin, Wolf (excused).

The meeting convened at 1:30 p.m.

The Senate elected officers and members of the Executive Committee. It then briefly recessed while the Executive Committee appointed Senators to the standing committees of the Senate. A list of the officers and committee assignments of Senators is appended to these minutes.

The Senate then continued the discussion which it began at the morning session concerning the evaluation of the performance assessment program. Several Senators expressed the belief that the issues involving performance assessment are central to Faculty welfare and therefore any review committee should have a high degree of Faculty involvement.

After further discussion about the charge of a review committee and the composition of its members, the following motion was moved and seconded:

The Faculty Senate recommends that performance assessment, as it has operated, be evaluated by a committee composed of individuals not involved in the creation of the plan. The Faculty Performance Assessment Review Committee would be charged with reviewing the process and making recommendations, with the recommendations going simultaneously to the Provost, Deans and Faculty Senate. In furtherance of these goals, the Senate endorses the Provost's proposal that a staff person handle the actual surveying of the faculty and the preliminary analysis of data (as put forth in his letter of 1 May 1991 to the Senate President). In addition, the Senate strongly recommends that the Committee be composed of one representative of the Board of Trustees, a high level academic administrator (preferably the Provost), and five (5) Faculty, to be appointed by the Senate. Finally, we further recommend that the committee select its own chair.

The Senate approved the motion by a vote of 17 Yes, 1 No, and 0 Abstentions.

The remainder of the meeting was devoted to reaching a position statement on the current Promotion and Tenure Appeals Process, as this will be an agenda item at the University Council's Summer Workshop. After rather lengthy discussions on this topic by the Senate at their 20 February 1991 and 18 March 1991 meetings, the Executive Committee today presented three recommendations which it felt summarized the thinking of the Senate. They are as follows:

1. That there should be an Appeals Board.
2. That such a Board should not be University Council.
3. That membership on such a Board be predominantly Faculty members.

After some discussion, the following motion was moved and seconded:

That the Faculty Senate Council representatives recommend to University Council that the Council endorse the establishment of a committee composed of the Provost, Deans and Faculty representatives, as appointed by the Senate, to create an alternative to the current Promotion and Tenure Appeals Process in keeping with the Senates three (3) recommendations as stated above.

The Senate approved the motion by a vote of 18 Yes, 0 No, and 0 Abstentions.

The Senate adjourned at 3:45 p.m.
